"MARTI"

Marti is the very special kind of dog that I had waited to come along for so long. She came to live with me from the wonderful Julie Wright of Just-Wright Beagles in late July 2008 when the opportunity arose to become her co-owner.

Since then, Marti and I have formed a team and together easily acquired Marti's Championship title with 3 Major wins, including Reserve Winner's Bitch at both The Rocky Mountain Beagle Club

and The National Beagle Club Specialties in 2008. With her flawless ground-covering movement, to her soft melting expression, and showy attitude, we still can't get enough of this pretty little bitch... Watch for her make select appearances as a Special in 2010.

Marti will be bred later this year to Ch. Just-Wright Shameless "Garth", who is the handsome son out of the BIS, BISS Ch. Just-Wright The Full Monty.
